Donate the Change

29. Supporters who pay for their lottery number by Direct Debit on a monthly basis pay £5 per month. This amount ensures the lottery number is entered into the weekly draw every week (including 5 week months).
30. As there are only four weeks in some months, credit is accrued on the lottery player account. This credit will be stored to ensure entry into every weekly draw, the remaining credit can be gratefully accepted as a donation to DMH. This donation also has the opportunity to be Gift Aided if the supporter has agreed for DMH to claim Gift Aid on donations made payable to DMH (an extra 25% can be claimed from the donation, this is reclaimed by the Hospice via HMRC).

31. Lottery players have to consent to donating accrued credit and have the option to opt out at any time. For those who opt out, the credit will continue to be accrued and point 31-33 will apply to credit outstanding at the point of cancellation.

Cancellations

32. Lottery participation can be cancelled by notifying DMH Lottery in writing, by telephone or by email. Cancellations after 5pm on a Wednesday may result in your lottery number still being entered into that week's draw.
33. If your lottery number has remaining credit at the point of cancellation your lottery number will continue to be entered into the lottery draw until your credit expires. Alternatively you may choose to donate your credit direct to DMH or you can request a refund if your credit is greater than £10.
34. Refunds will be paid by cheque upon request.
35. If we are notified that a lottery player has passed away, the remaining credit on the lottery player's account will continue until the credit expires. Any winnings will be made payable to the Executor. Alternatively we will accept instructions from the Executor or next of kin to:
