

Job Description & Person Specification

Douglas Macmillan Hospice
Barlaston Road, Stoke-on-Trent, ST3 3NZ

t. 01782 344 300 f. 01782 300 344

Job Title:	Catering Apprentice
Responsible to:	Chef Manager
Accountable to:	Director of HR & Support Services
Published:	July 2022
Last Updated:	July 2022

Department Function:

The Catering Assistant provides catering services support for the catering areas. In addition, the role will support the varying requirements of DMH functions across the DMH Hospice site, buildings and local area departments. This will include supporting the catering the needs of clinical & non-clinical areas, visitors & public areas and hospice staff areas etc including supporting generic duties, patient services and hospitality services for internal events

Job Summary:

To work as an integral part of the DMH Catering Team, contributing to the catering service delivery of all catering services in Douglas Macmillan Hospice, ensuring a safe, clean and hygienic environment is maintained.

Duties & Responsibilities:

- Assist in setting up and deliver hot foods & refreshment trolleys and dispatch to the required areas for patient needs, working lunches, meetings and departmental functions etc
- Maintain and replenish all food supplies, food consumable displays, cleaning materials and consumables in all catering department areas, inclusive of satellite kitchens, stores, staff & visitor's rooms and various equipment, e.g. coffee & drinks machines etc
- Receive and efficiently relay messages within the catering environment, using the appropriate communication systems to effectively optimise the catering services
- To work towards having a full working knowledge of all areas in the building that are covered by the catering service inclusive of satellite kitchens, stores, staff & visitor's rooms and equipment
- Ensure that all catering areas and catering equipment is cleaned to the required standard, in accordance with the cleaning schedule, including food trolleys and documenting these tasks correctly under the correct logging processes. Including clearing and cleaning services equipment, utensils, washing crockery/cutlery before the end of the shift.
- Maintains catering hygiene standards in accordance with current guidelines and current food safety regulations, including basic knowledge of infection control.
- To work towards having a full working knowledge of all kitchen equipment, materials and agents and the correct use of them. Referring to COSHH regulations.
- Awareness and working towards following safe systems of work and report hazards, accident and incidents to the Chef Manager in accordance with health and safety procedures, having regard for the wellbeing of staff, patients and visitors.

- To work towards having a working knowledge of all areas in the building which are covered by the Catering Department and able to operate the catering equipment competently i.e. dish washers, sinks, etc. under supervision.
- To undertake catering and mandatory training as part of the individual development and annual performance reviews (OPD)
- To carry out any other duties as required.
- To assist in the preparation and delivery service (trays, trolleys etc) & preparation of vegetables, salads and food provisions
- To comply with the Health and Safety at Work Act.
- To record information as required by the Department / Hospice.
- To ensure patient confidentiality is maintained at all times and information obtained during the course of employment is not released to anyone other than those acting in an official capacity

Dougie Mac Values:

Our mission is to deliver excellent CARE to people approaching end of life.

- **Compassion** - Working together by considering the views of others, understanding the challenges they face and providing support.
- **Accountability** - Takes personal responsibility for our actions, owning our decisions and behaviours.
- **Respect** - Always trusting, listening and challenging each other. Understanding that we are at our best as individuals whilst working as a team.
- **Excellence** - Embracing excellence by empowering and motivating each other to be the best that we can be.

Standard Requirements of all Dougie Mac Staff:

- To be flexible and adapt to the needs of the department and your team
- To maintain strict confidentiality and adhere to data protection policies at all times.
- To observe and maintain security procedures.
- Exercise responsible stewardship of hospices resources at all times.
- Attendance at meetings events and activities may require the post holder to work beyond the normal hours / days of work quite regularly – flexibility is essential.
- To have an understanding and demonstrate regard for the Hospice philosophy and its functions.
- Travel in the Stoke on Trent / North Staffordshire area, to attend participate in training and personal development opportunities, using own vehicle or public transport, for which expenses will be met in line with policies in the staff handbook.
- To maintain an effective and collaborative working relationship with other members of staff and volunteers.
- Conform to conventional standards of business dress when representing the hospice.
- To accept temporary redeployment within any part of the hospice should the need arise and to ensure hospice goals and objectives are met.
- Safeguarding is everyone's responsibility. We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults. As an employee, you are expected to follow the Hospice's Safeguarding Policies and report any concerns in accordance with those policies.

Safety Health Environment (SHE):

- All employees must familiarise themselves with the Hospice Safety Health Environment (SHE) policies, processes and procedures and act in accordance with them at all times. Employees must ensure that they conduct themselves in a manner which does not endanger their own health and safety or that of others.
- All employees have a duty of care to promptly report any near misses, dangerous occurrences or accidents whilst at work in line with the relevant Safety Health Environment procedures
- All employees should attend mandatory Safety Health Environment training sessions annually/periodically for defined activities etc and ensure that they follow the processes and procedures as outlined in the training
- Any breaches of the Safety Health Environment Health standards will be dealt with under the DMH disciplinary procedure.

Quality:

- The hospice expects all staff to work to the highest standards. The quality of care provided by every member of staff is paramount.
- All employees must
 - familiarise themselves with the policies and procedures relevant to their role.
 - ensure that they are competent to carry out their role.
- All employees are responsible for the management of risk: they must
- Attend mandatory training;
 - Report incidents when things go wrong and provide evidence that they have learnt from the experience;
 - Record all adverse comment made by patients and their families; as well as customers, donors and the wider public.
 - Raise concerns when they see any unsafe practice within your place of work.

This job description is intended to be the main guide to the principle duties and responsibilities of the post. It should not be seen as an exhaustive, inflexible document. The employee shares with the employer the responsibility to suggest amendments as necessary to meet the changing needs of the hospice and department.
